Dear Members of Hamilton Brantford Building & Construction Trades Council:

We truly appreciate your support this season!

Thanks to your generosity, you're making a real difference for our neighbours facing hunger. Your contribution plays a vital role in helping us meet the growing needs of our community by providing nutritious food to food banks and meal programs across Hamilton.

This fall, your donation of \$10,000.00 will deliver \$50,000.00 worth of food to those in need. You're not just filling someone's fridge—you're offering hope to a neighbour in a difficult time.

Your kindness ensures that the 10,000 households relying on our support each month have access to healthy food. Together, we're making a lasting impact, ensuring no one in our community goes hungry.

With deep gratitude,

Radhika Subramanyan
Chief Executive Officer
